PREMIUM WIRELESS HEADPHONE

- o **SOPHISTICATED COMFORT**
Premium materials like plush protein leather & secure steel headband offer all-day comfort and luxury
- o **LONG BATTERY LIFE**
Up to 45 hours of wireless play with a rechargeable lithium-ion battery. Can also be used in wired mode via a 3.5mm input jack.
- o **HIGH-QUALITY AUDIO**
Delivers premium sound for smartphones and home stereo systems.
- o **BUILT-IN CONTROLS & MICROPHONE**
Manage audio and phone calls directly on the earcups, with an integrated microphone for calls.
- o **SOUND ISOLATION**
Ergonomic design ensures a secure fit, blocking out external noise.
- o **PORTABLE**
Earcups rotate flat for easy storage or packing.
